Resume

Name: Gunjana Dhakad
Education:
- B.Tech, Electrical Engineering, Indian Institute of Technology Kharagpur
- Class XII, CBSE, Kota Disha Delphi Public School, 2021
- Class X, CBSE, BSN Academy, Kota, 2019

Contact Information
- Phone No: 4373932863
- Email Id:abc@gmail.com

Skills:
- Programming Languages: Python, C++, C, HTML, CSS, SQL, Javascript
- Frameworks and Libraries: Numpy, LTspice, Pandas, Matplotlib, Tensorflow, Scikit-Learn, Pytorch, MATLAB & Simulink, Seaborn
- Practical: Electric Machines, Measurements, Digital Circuits ,Signals and System, Chemistry, Programming

Experience:
- Smart AI, Intern, 2024: Worked on developing AI models for image recognition tasks.
- Stellar Data, Data Analyst, 2023-2024: Analysed large datasets and provided insights for business decisions.
- Space Challenge, Team Lead, 2022-2023: Led a team in a space-themed hackathon, developing innovative solutions using Python and Arduino.

Achievements:
- First Place, Science Olympiad, 2021: Demonstrated exceptional knowledge in various scientific disciplines.

COURSEWORK INFORMATION
- Machine Learning and its Foundations
- Signals and System
- Applied Statistics and Mathematics in AI
- Digital and Analog Electronics
- Programming and Data structures
- Data communication & Network Theory

EXTRA CURRICULAR ACTIVITIES
- Represented MT hall in General Championship 2023 in Cartooning domain within IIT Kharagpur student community.
- Participated in various Vocals competitions at school and college level.
- Participated in various business competitions and Case-studies
